No Speed needed - Just Heart

Run It, Walk It, and Support a Great Cause!

Once again, Team Cura is heading to the Glacier 3000 Run on the 08.08.26 and we would love to have you by our side. Take it at your own pace, most of the fun is getting there together.

Ready to join the adventure?

The funds will support our 5th Cura Inclusion Camp in August 2026, as well as a range of smaller projects under our Cura Umbrella Concept.

ACCOMPLISHED PROJECTS

A TIME OF COMPASSION

December 2025 – March 2026

Cinema outings, ski days, aquapark visits, Starbucks treats, pizza nights, and many more experiences were made possible for the young adults at the Nemo Youth Emergency Shelter in Zurich during Christmas.

A time that can feel especially emotional when separated from family, these moments brought a sense of warmth, joy, and togetherness when it was needed most… *what an amazing support from our sponsors*.

The residents of Nemo shared their gratitude through this heartfelt handmade card.

SAVE A YOUNG PATIENT

December 2025 – March 2026

Doctor visits, hospital appointments, kindergarten drop-offs, and even family outings, all made possible in a safe, controlled way thanks to the cargo bike, minimizing exposure at every step for 5-year-old Zacharia following his bone marrow transplant.

A simple solution that gave the family back a sense of normalcy, stability, and peace of mind during an exceptionally demanding period. Thank you to everyone who contributed to making this possible.

Following this project, the Make-A-Wish Foundation reached out to us after learning about Zacharia's story and offered to sponsor a wish for him.

CURA UMBRELLA CONCEPT

April 2026

We contributed **CHF 1,000** to Florian, a 10-year-old Swiss boy courageously battling a very rare form of cancer, toward the outstanding costs of his recent operation. Out of many requests, we chose Florian's family knowing this donation would provide some much-needed financial relief.

March 2026

Many of you have heard about brave Sheiry's story. After undergoing several brain surgeries, she is now mobility impaired and also lives with autism.

Their current vehicle, donated by the Cura Children's Foundation in 2022, can sadly no longer accommodate Sheiry's new electric wheelchair. We were grateful to contribute **CHF 2,700** from a private donation toward a newer van for the family.

LOCAL NEWS

LOVELL WINTER CAMP

January 2026

Presentation of Cura Children's Foundation at the Lovell Winter Camp weekly assembly, highlighting our charitable work and the importance of friendship and community. Joined by board member Hertha Baumann.

This was followed by a super yummy bake sale organised by the parents of the participants, raising over **CHF 800** in just one afternoon!

Thank you all for your continuous support!

Much love
Carina and Caroline
